MR. GERRY ARMSTRONG

Dear Mr. Armstrong:

I am in receipt of your letter in response to my letter of May 25, 1982.

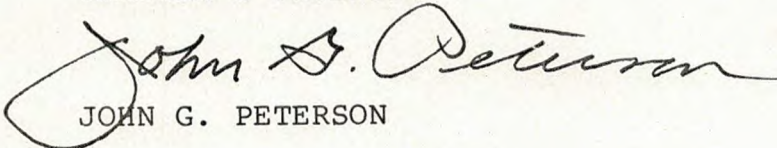

I do not feel that your reply that you gave the material to Omar Garrison is adequate. Please state:

1. What materials you gave Garrison;
2. When you gave these to Garrison and,
3. Did you let anyone else inspect or copy the materials when they were in your possession?

Your prompt reply will hopefully resolve this matter without further legal proceedings.

Very truly yours,

TRABISH & PETERSON
